

# BLACKTOWN CITY FOOTBALL CLUB MEMBERSHIP PROGRAM

## Creating Happy Communities Through Football...

Blacktown City F.C. is renowned for its success in the NSW Premier League. Last season proved to be one of our most exciting and successful on record. Not only did we manage to win the PS4 Premier League and Club Championship but we were also successful in being crowned for the first time in our proud history Australian National Premier League Champions. Blacktown City F.C. prides itself as being one of the best youth development football clubs in Australia.

In support of these wonderful achievements Blacktown City F.C. is pleased to announce our four new supporter's membership packages for season 2016. The packages will provide our members with four exclusive levels of membership with the first 50 memberships purchased recognised as inaugural members.

These membership packages will provide the opportunity to watch all our home games at the Lily's Football Centre.

Our undercover canteen area and interactive LCD screens complement the newly renovated main stand, corporate box facilities and general seating area. Our home ground is only a short walk to the beautifully appointed Lily's Restaurant and Function Centre which is a truly unique venue that supplements our football community members with a wonderful family match day experience.

The following packages will go a long way in ensuring our supporter base is well connected and fully engaged with our football family and Greater Blacktown community. In return Blacktown City F.C. will continue to embrace supporting our local businesses, schools, charities and the wonderful footballing ambassadors that we proudly call our own.

**Blacktown City F.C. - Where football begins.**
